THE CIRCULATION OF THE DISPATCH IS LARGER THAN THE COMBINED CIRCULATION OF ALL THE OTHER DAILY NEWSPAPERS OF THE CITY.
THE WEATHER TO-DAY.—From our reports this morning the probabilities are that the weather to-day will be partly cloudy.
LOCAL MATTERS.
ATTEMPTED OUTRAGE.—A negro named John Samuel was arrested on Wednesday by a Mr. Crittenden, charged with the shocking crime of attempting to outrage the person of a well-known lady who lives in the lower part of the county. It appears that the lady had been to Cur's Neck to see a sister who was sick, and in returning to her home had to pass through a piece of woods, where she was assaulted by the negro. He rushed upon her, seized her around the waist, and attempted to throw her down. She was at first ignorant of what he was about, and concluded that he was attempting to rob her of a pocket-book and a small amount of money, which she remembered to have in her pocket. Finally, she was convinced of his purpose, she screamed several times, and a number of boys, who were minding cows in the neighborhood, came to her assistance, and the negro was frightened off before he had accomplished his purpose.
HERB DAY OF ATONEMENT.—The Hebrew day of atonement will be celebrated on Monday next, being the tenth day of the month of Tishri, or one of the most solemn of Hebrew festivals, being the day on which Israelites purify themselves from their transgressions during the whole past year. The feast of New Year, the first day of Tishri, is instituted as a day of memorial to remind the Israelites of the flight of time, and the necessity of purification and repentance. The day is called penitential days, and are devoted to self-examination, prayer, and the performance of penitential duties for injuries against fellow-men, in order to become fit for purification on the day of atonement.
THE CELEBRATION OF THIS FESTIVAL will commence on Sunday evening by divine service, and will then begin, which lasts until the eve of the next day, in accordance with the scriptural command of Leviticus: "It shall be unto you a Sabbath of Sabbaths, and ye shall mortify yourselves on the ninth day of the month at even, from even unto even shall ye celebrate your Sabbath." On Sunday evening the services will be opened with the singing of the hymn, "O day of the Lord," and special Prayers and prayers will be said. Sermons will also be delivered. On Monday there will be a threefold service in all the synagogues, consisting of Shabbath, Mincha, and Neilah, which will occupy all the day.

RADICAL MEETING LAST NIGHT.—A meeting of colored radicals was held last night in front of the Davenport House, on Broad street, to express satisfaction with the action of Wednesday's Convention. In numbers and enthusiasm it did not excel, and, indeed, hardly equaled the South meeting which took place at the Custom House Monday evening. Speeches were made by George Arnold, of North Carolina, A. P. Brooks, of J. M. Malore, and Landon Boyd. Burgess was described as a political saint, while John Ambler Smith and his supporters, Lewis Linney, Joseph and his supporters, and W. J. W. Boyce, were freely abused.
THE TROUBLES IN LOUISIANA were commented upon as an evidence of the lingering spirit of rebellion in the southern people, and the civil-rights bill was discussed in a manner wholly at variance with Mr. Burgess' published views. One speaker, at least, hoped that Congress would pass that measure at the next session, and not leave it upon the hands of the members of the Forty-fourth Congress. More attention was paid to Mr. Smith than to our candidate for Congress, and intimations were made that the former had better contribute to conservatism than to yield to a successful rival in his own party.
THE MEETING WAS IN NO SENSE of the word a success, and was nothing like as large as the ordinary ward meetings which assembled to uphold Charles H. Porter when he was the peculiar champion of negro rights in this vicinity.
BISHOP WHELAN'S SUCCESSOR.—Bishop Gibbons, of this city, has recently been attending a meeting of the bishops of this province, which was held in Philadelphia, for the purpose of electing a successor to Bishop Whelan. Three candidates are nominated by the bishops to his Holiness the pope, who decides which of them shall be appointed. Rev. M. O'Keefe, of Norfolk, is spoken of as one of those likely to be nominated; and it is thought he will probably receive the appointment, as Bishop Whelan is said to have recommended Father O'Keefe upon his death-bed.
A FALL INTO A WELL.—Miss Ella Isbell, daughter of Mr. David Isbell, of Louisville, fell into a well forty feet deep last Sunday. She was standing upon the wooden platform covering the well, when it gave way, dropping her down to the bottom. The bucket was lowered by a lady who witnessed the accident, and Miss Isbell was enabled to climb up by the chain, but her feet were against the brick walls. Her injuries, strange to say, were of a very slight character.
A PRIVATE DETECTIVE WANTED.—At the last meeting of the Board of Aldermen, Mr. Ordway presented a petition signed by Mr. Greener and several other tobacco manufacturers of this city asking the City Council to appoint Mr. R. B. Craddock to look after their interests in the matter of pilferings at the factories. The petitioners also request that the city give Mr. Craddock the right of sergeant of police. The petition went to the Committee on Police.
ON DR.—Mr. David N. Walker, a member of the Common Council from Madison Ward, it is stated, will resign his position in consequence of a protracted visit to England. Mr. Sloan, who has been decided to remain from Virginia, will also probably resign.

MANCHESTER NEWS.
SCHOOL ELECTIONS.—The election of teachers for the public schools in the county will be held as follows: Clover Hill township, today; Bermuda, September 22d; Matoaca, September 24th; and Dale, September 25th. Manchester and Midlothian have already elected.
NEW BUILDINGS.—Charles F. Moore, builder, has commenced the erection of four double-tenement houses for William S. P. Pulliam on Eleventh street beyond McDonough, which will be an improvement in a much needed locality.
SALE OF STOCK.—William L. Fernald, Esq., collector of internal revenue for this district, has purchased one hundred delinquent shares of stock in the Bank of Manchester, subscribed for by McIlwaine & Co.
TURPIN'S CASE.—Nothing has been heard from Turpin since he was bailed out, and it is supposed that he has left for parts where they don't quarrel.
AT THE QUARRY.—About six hundred feet of shed fifteen feet wide are now up at the Old Dominion quarries.
FIFTY STATE-OUTRAGES.—The intention of the contractors to furnish accommodation for two hundred.
BIG BARBECUE.—The campaign will open in Chesterfield county Saturday with a big barbecue at Midlothian, when Governor Walker and other distinguished speakers will be present.
FAIR AND FEAST.—The ladies of the Methodist church are succeeding very well with their fair and feast. The attendance has been
